

He then passed on to his experience, during which he has adapted every possible improvement to his security, enabling him to challenge competition with any house in London. A large assortment of all male and male to order. A pair of extra strong wire-meshed proof-finding doors with ventilating gases, made especially for a banker's office, may be viewed at his manufactory. Through a rough-hewn door for party calls, with wrought-iron railings, frames and secured by the latest DETECTOR LOCK to KNOX, LAND, & CO. 6, Great Brunswick Street, and a superior iron safe in ALDERMAN STREET, LONDON.
